

Pioneers in the field of coverage in  
egypt and the middle east

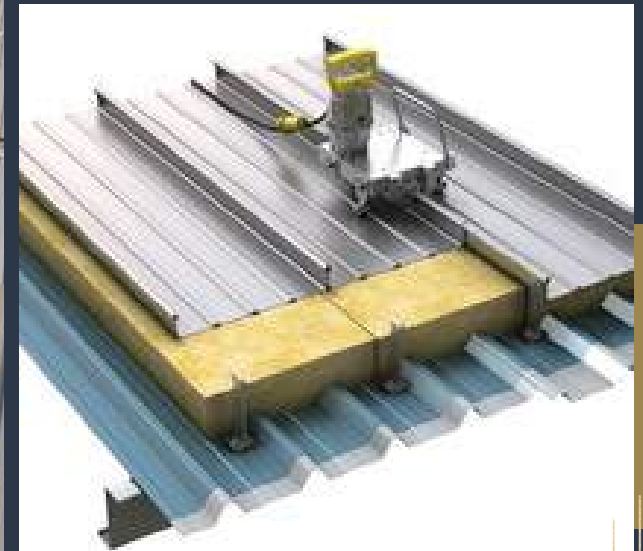

A.H.M for Trade and Supplies Agent and exclusive distributor for many international brands and European factories in Egypt, Africa and the Middle East, in the field of ceilings, cladding, insulated, domes, skylights and space frame systems.

A.H.M for Engineering and Contracting It has an integrated engineering department and a distinguished work team to complete and implement all specialized projects with the highest standards of quality and safety, according to the specified schedules.

A.H.M for Industry Using the latest German technology in the Egyptian industry, it has a complete production line for flats and an automatic grouting line for sheet and aluminum stand-up systems, producing UPVC rockwool sandwich panels, and manufacturing all types of metal structures.

▶ The implementation was based on good quality, speed of implementation and accuracy

▶ A.H.M group has achieved great success in the field of factory and hangar coverage in cooperation with major contracting companies and consulting offices
